AIR CONDITIONING REPAIR

A heads up from the The Buildings & Grounds Team -- there will be major repair work on the HVAC units in the Education Wing between August 13th and 16th. The rooms will still be usable, but don't count on cool air until we're given the "all clear" by the repair personnel. The end result will be much better heating and cooling in that wing of the building.

Today...

...is Food for Thought Sunday (first Sunday of the month.)

...there is a brief Congregational Meeting immediately after this service. The Session has called this meeting for the purpose of electing a new Deacon. Following up on its responsibilities, the Nominating Committee will nominate a member for the position. Additional nominations will be welcome from the floor, provided any proposed nominee has been asked and is willing to serve if elected. The meeting will begin immediately after the Sunday service.

... come and enjoy refreshments, after the Worship Service, in the Laburnum Commons.

... the nursery is open for children up to 4 years of age (Children's Sunday School is on a break for the summer.) After the Children's lesson, all children 5 years and older will remain in the sanctuary during the service. Activity bags are available in the narthex.

This Week's NEWS...
