## Today...

... is our **"Food for Thought" Sunday.**

... the children, from ages 4 to 10, will continue with the series on **Gratitude in the Children's Sunday School.**

... please join us for refreshments and fellowship, after the Service, in **Laburnum Commons.**

... join as at **10:50** as we begin a new Sunday School class, focusing on the **New Testament book of Revelation.** Our goal is to understand the author's meaning-what he is trying to tell us. However, this book is often read in ways that miss the author's meaning. Indeed, we considered titling the class: "How to Not Mis-Read the Book of Revelation"!

Such readings are very popular, and generally focus on identifying historical events that fulfill the visions in Revelation. But if the book is about modern events, then it was irrelevant to its original audience. Clearly, this is not right!

Revelation was supposed to be meaningful to the original audience, as well as the modern audience. In this first session, we will focus on examining how to read Revelation, with the goal of allowing the author's voice to emerge for us in ways that are loyal to the author, and relevant to our time.

## This Week's NEWS...

The weekly contribution amount needed to meet budget is \$4,783, which enables us to continue to do God's work in the community. Last week we received \$2,329.

## Women's Study Group

**On Tuesday, October 9th, the Women's Study Group (Women's Bible Study) will begin again.** We will be meeting the same time and place as last year, the 2nd and 4th Tuesdays at 6:15 in the Rowe Room. ALL women are welcome - no reservations needed, nor does one have to attend every gathering.

We will be studying the book, Stages of Faith, by James Fowler. This book will enlarge your understanding of faith and the various ways it gives your life meaning and depth beyond the conventional religion and belief definitions.

Books will be available near refreshments. Class leader Rev Terry Diebold urges you to read the Introduction and Chapter One before we meet on the 9th. This is not a difficult book but each chapter is packed with new concepts and ideas. If you have questions, contact Terry Diebold at (540) 455-4186 or email her at [terrydiebold@gmail.com](mailto:terrydiebold@gmail.com).
