Talkbacks will be every week in the Narthex thru August 7. Get your coffee and a snack and join the conversation! Come and go as you please.

### - Sanctuary HVAC Update -

Old Dominion Mechanical has been busy all week, installing our new HVAC system in the sanctuary. If all goes as planned, they should be wrapping up this week. We will keep you posted. In the meantime, we continue to *Worship in the Commons*.

### - Town Hall Meeting -

On **Sunday, July 31**, we will hold a Town Hall Meeting, at 10:30 a.m., immediately following our worship service. The purpose is to give our congregation the opportunity to meet with **The Spark Mill** as they present their analysis of the data that was collected during the "gather" phase of our strategic planning journey. The Futures committee has already met with Chris Bennett and Angela Fontaine and a joint meeting is planned with them, our Session, and the Futures committee on July 25.

*Please make every effort to attend this meeting. Lunch WILL be provided.*
